2020 SkillsUSA Ohio
Virtual Fall Leadership Conference
November 9-10, 2020
SkillsUSA Mission:
SkillsUSA empowers its members to become world-class workers, leaders, and responsible American citizens

SkillsUSA Motto:
Preparing for leadership in the world of work.

SkillsUSA Pledge:
Upon my honor, I pledge:

- To prepare myself by diligent study and ardent practice to become a worker whose services will be recognized as honorable by my employer and fellow workers.
- To base my expectations of reward upon the solid foundation of service.
- To honor and respect my vocation in such a way as to bring repute to myself.
- And further, to spare no effort in upholding the ideals of SkillsUSA.

SkillsUSA Creed:
I believe in the dignity of work
I hold that society has advanced to its present culture through the use of the worker’s hands and mind. I will maintain a feeling of humbleness for the knowledge and skills that I receive from professionals, and I will conduct myself with dignity in the work I do.

I believe in the American way of life
I know our culture is the result of freedom of action and opportunities won by the founders of our American republic, and I will uphold their ideals.

I believe in education
I will endeavor to make the best use of knowledge, skills and experience that I will learn in order that I may be a better worker in my chosen occupation and a better citizen in my community. To this end, I will continue my learning now and in the future.

I believe in fair play
I will, through honesty and fair play, respect the rights of others. I will always conduct myself in the manner of the best professionals in my occupation and treat those with whom I work as I would like to be treated.

I believe satisfaction is achieved by good work
I feel that compensation and personal satisfaction received for my work and services will be in proportion to my creative and productive ability.

I believe in high moral and spiritual standards
I will endeavor to conduct myself in such a manner as to set an example for others by living a whole some life and by fulfilling my responsibilities as a citizen of my community.

SkillsUSA Framework:
Dear SkillsUSA Ohio Fall Leadership Conference Participants,

We are excited to host the premier professional development opportunity for high school SkillsUSA students and advisors – our 2020 Fall Leadership Conference! This event will be completely virtual for the first time ever! Never before have we been able to bring this incredible conference to your finger tips. This conference is open to all students, advisors, and administrators interested in learning more about SkillsUSA, striving to build their employability skills "tool box," or wanting to participate in one of the six Regional Delegate Assemblies.

This year's conference will focus on providing "tools in the tool box" that students can use in and out of SkillsUSA. Sessions will focus around chapter development, the new Program of Work, and business and industry interaction. Statesman Awards can be earned by students attending and engaging with all of the sessions. Students that are looking to take their experiences to the "next level" can serve as Voting Delegates or Regional Officer Candidates, which gives students a front row seat to choosing their student-leaders! Students will get a variety of opportunities based on the sessions that they choose. We are offering a wide range of sessions on a variety of topics this year and will have a number of industry partners teaching sessions and sitting on industry panels, ready to answer student questions about employment.

For this event, SkillsUSA Ohio has partnered with Mills James video production company to ensure that our students have the highest quality experience in this new virtual conference environment. It is our hope that each and every one of you will find this year’s event to be an enjoyable experience. As we embark on this new virtual leadership experience, we would like to wish each and every participant, officer candidate, and voting delegate all the best as we strive to “Empower Leaders in the World of Work!” in 2020 and beyond! Thank you for being a part of the legacy that is SkillsUSA Ohio!

2020 President’s Volunteer Service Award
Service usually springs from selflessness, but the president of the United States wants to recognize volunteers just the same; that’s why the President’s Volunteer Service Award was created. This national honor is offered in recognition of sustained community service by individuals and groups who have achieved a certain standard - measured by the number of hours served over a 12-month period (or cumulative hours earned over the course of a lifetime). SkillsUSA is a certifying organization for these awards.
