Carpentry

PURPOSE
To evaluate team preparation for employment and to recognize outstanding students for excellence and professionalism in the field of residential and commercial carpentry.

ELIGIBILITY
3 contestants per region, based on regional competitions, in accordance with the SkillsUSA Ohio Program Guidelines.

School’s Responsibility: By registering a team in this contest, the supervisor of these programs acknowledges that the students have been trained in the areas identified in the scope of the contest. It is the understanding that if the judges observe any unsafe actions or improper use of equipment, the participant will automatically be removed from the competition by the contest coordinator. The contest coordinator’s decision is final.

ORIENTATION
Orientation to begin at 9:30am and 12:30pm (*Please check the SkillsUSA Ohio website to know whether you have been assigned to compete in the AM or PM session of this contest*)
