Esthetics

PURPOSE
The Esthetics competition evaluates the contestants’ techniques and professionalism in the field of skin care. Students will be tested in four different areas: a written exam covering the fundamentals of skin care; an oral basic facial presentation; a beauty make-up application and fantasy make-up application. This contest is to emphasize the skills necessary in preparation for the National Competition.

TESTING: There will be a written knowledge test, administered online via the Classmarker link provided, during orientation

ELIGIBILITY
Open to active SkillsUSA members. 3 contestants per region based on regional competitions, in accordance with the SkillsUSA Ohio Program Guidelines.

ORIENTATION

SPECIAL INFORMATION
• The 2021 Esthetics Competition Theme is “Carnival”.
• This theme was selected by the National Technical Committee to provide students with the opportunity to bring some extra “fun and excitement”. The committee thought this theme could bring “bright colors and fun activities that would be refreshing” to the competitions in this otherwise crazy year.
• Safety and Sanitation is a key area of concern. The contest assumes the work is being performed on the middle client in a salon setting with at least one client prior and at least one client following. Clean implements and area preparation will be judged critically. Safety concerns, double dipping and so forth will be penalized harshly.

SCOPE OF THE CONTEST:
The contest will be judged based on the criteria established in the current year’s National Technical Standards, which are updated annually. National Technical Standards are accessed through your Professional SkillsUSA Membership benefits by logging on to your SkillsUSA account at https://www.skillsusa-register.org/Login.aspx.

TASKS TO BE PERFORMED:
• Orientation 30 mins
• Fantasy theme – written description (inspiration and creative ideas at least one paragraph)
